

4728 188 Street Edmonton AB

\$599,900

Welcome to Jamieson Place, a vibrant community in Edmonton known for its beautiful parks and convenient amenities. This elegant 1.5 Storey home offers 2 bedrooms and 3 bathrooms. Step into the stunning front foyer, beautifully lit with natural lighting from picture windows, and enjoy the vaulted ceilings in the great room, where the kitchen and living room blend into an oversized space. The kitchen features ample counter space, a corner island, and custom cabinets. The elegant primary bedroom includes a luxurious 5-piece bathroom with a soaker tub and dual vanity sinks. Upstairs, a bonus room with vaulted ceilings and additional picture windows provides versatile space. The finished basement offers a rec space, an additional bedroom, and a bathroom. Outside, enjoy the stunning, no-maintenance deck and terrace in the backyard. This immaculate home, with A/C, new shingles, and a heated garage, offers 2474 square feet of pristine living space.
