

1316 Windermere Way 512 Edmonton AB

\$350,000

Set high above the rooftops in one of Southwest Edmonton's most sought-after areas, this top-floor condo offers a private sanctuary where you can see for miles. The elevated position creates a sense of calm, with uninterrupted views that make you feel like you're floating above the community. Situated within a high-end concrete building, this home combines luxury, quality, and soundproof construction. Just a short walk to all amenities and zoned for some of Edmonton's top schools, the location is as practical as it is picturesque. The building features upscale amenities, including a fully equipped fitness room and a beautifully landscaped outdoor patio ideal for relaxing or gathering. Inside, contemporary finishes and a thoughtfully designed layout maximize the light and airy ambiance of this sky-high retreat, offering a perfect balance of sophistication and serenity in one of the city's premier areas.
