

5240 50 Avenue Holden AB

\$129,000

What a wonderful 3 bedroom starter home!! 1087 square feet, huge lot with a single detached garage. Expansive corner lot that sits up on a hill, in a great location in the small hamlet of Holden. Upstairs is warm and cozy with an open floor plan, large bedrooms and large main bathroom. Main bedroom has 2 closet spaces and house is bright and cheery with south side windows. It is a fixer upper and could be a wonderful family home with your personal touch!!
