

5262 Kimball Crescent Edmonton AB

\$599,900

The best home ownership experience is watching your home get built! And in a well-known family community of Keswick! Your future comes to life in this magnificent home with 3 full-size bedrooms & 3 full baths! The functional floor plan is designed for your growing family! Enjoy LUXURY VINYL FLOORING & tiles, 9-FT CEILINGS, a modern fireplace feature wall & drop ceiling feature! The GOURMET KITCHEN dazzles with quartz countertops and ample storage, boasting HIGH-CEILING CABINETS and a WALK-IN PANTRY. Large windows illuminate the dining area, ideal for family gatherings. Upstairs, find a bonus area, a grand primary bedroom with a 5-pc ensuite, including a soaker tub and double sink vanity, enhanced with Spanish tiles. The basement offers creative potential with a separate entrance and the potential for a basement suite! Located within walking distance to the new Joey Moss school, and near public transport, shops, and dining. A perfect new home for a growing family!
