

5332 54 Avenue Thorsby AB

\$249,900

Located at the end of the street in a cul-de-sac is the 1,139.48 sq/ft fully finished home built in 2005. The paved driveway greets you with a covered parking space accompanied by a double attached garage. Step inside the home onto the main floor that has an open concept kitchen and living room. The primary bedroom is on the main level and has lots of storage cabinets along with its own 2 piece ensuite. A 4 piece bathroom and laundry room complete the main level. Out the living room door is the raised deck overlooking the beautiful mature back yard with green space beyond it. The basement is fully finished and hosts a large family room, two bedrooms, and the utility room. This home has to be viewed in person to see everything it holds, and to appreciate its private location.
