\$628,888

WOW! Nestled at the top point of Kinglet Gardens comes this fully finished house from top to basement, inside & outside. It features a walkout basement with a fully landscaped front and back yard! With over 2,000 square feet of living space, this house offers a den on the main floor, a total of 4-bedrooms (with 3 at the second floor and one in the basement) and a bonus room at the second floor. There are 3 full baths and one half bath. The kitchen boasts of a chimney hoodfan with backsplash all throughout. There's plenty of cabinets and drawers. The large-sized island is perfect as buffet table for those parties and get-togethers. The basement is fully finished with standby rough-ins ready for a legal suite. This property is well-priced for its value. Come to appreciate!
