

5411 176 Street Edmonton AB

\$470,000

Bank foreclosure moments away from the river valley in the beautiful neighborhood of Gariepy. This home has so much potential, located on a pie shaped lot with a large backyard this two story house would make the perfect home. Two large living rooms on the main floor as well as a family room on the second floor and an undeveloped basement leaves lots of room for a growing family. Look past the clutter and see your future home. This 1760 sqft home could be everything you've ever dreamed of.
