

5828 Kootook Link Edmonton AB

\$669,888

Single-family double attached garage home in Keswick. Enter the foyer with open to above ceiling and a pocket office. The open-concept design seamlessly connects the living room, dining room and modern kitchen that boasts stone countertops, sleek cabinets, gas line to the stove and a island with a flush eating bar. A large walk-in pantry adds to the kitchen's functionality. Upstairs, find a flex room, media room, main 4pc bath, media room, laundry, and two additional bedrooms. The luxurious master suite is a standout feature, with a vaulted ceiling, walk-in closet, and a spa-like 5pc ensuite. The ensuite includes quartz countertops, walk-in shower, freestanding tub and double sinks. Under construction tentative completion March. \$5,000 appliance allowance and rough grading included. HOA TBD. Photos of previous build, interior colours are not represented.
