

5895 Anthony Crescent Edmonton AB

\$529,000

Welcome home to this amazing, heavily upgraded home located in the desirable neighborhood of Allard! Pride in ownership is evident everywhere you look. Granite counter tops, stainless steel appliances, upgraded doors and amazing landscaping! The property has a nice flow to it that makes perfect use of the space. The upstairs has a wonderful master bedroom with a second to none En suite and 2 more bedrooms a main bathroom and a laundry room and ample storage space. The main floor provides an open concept beautiful kitchen that leads to the dining area which is right next to the patio doors that lead to a beautiful deck and a massive back yard. What an incredible spot to entertain! Right across the eating area you will find a fair-sized living room with a custom stone gas fireplace. The main bathroom and access to the heated double garage finish off the space. The basement has a great tv area, a 4th bedroom and a 4th bathroom. Close to major highways, shopping, parks, schools and restaurants.
