

6027 104 Street Edmonton AB

\$89,000

Established in 2019, this is a well-known and trusted cellphone repair business located in a prime, high-traffic area with excellent visibility in South Edmonton. With its leading techniques, this business offers stable and consistent income with growing potential, making it an ideal opportunity for a new owner looking for an easy-to-operate, one-person-run business or for a young family. With a strong foundation and loyal customer base, the business has demonstrated consistent success over the years and is poised for further growth. This is a perfect chance for someone looking to step into a profitable and manageable venture in a thriving industry.
