

6304 187 Street Edmonton AB

\$500,000

This home has everything you could want in a family home! this 5 level split has a wonderful entertaining space on the main level with easy access to the double attached garage and backyard. Which might I add is absolutely HUGE! Perfect to let those kids play or escape from the hustle of your work day. Upstairs you'll find 3 large bedrooms including the primary with a ensuite and full washroom. The basement has another family space and a 4th bedroom. Peacefully located close to green spaces and parks. This home will impress you inside and out. The home has 1 furnace and 1 heat pump. Allowing for cooling in the summer and heat in the winter! Basically you're winning year round. Once you enter the home you'll get the sense that it feels significantly larger than it's 1600+ sqft
