

6321 CRAWFORD Link Edmonton AB

\$659,999

Embrace family living in Chappelle, Edmonton, with this inviting home featuring 4 bedrooms, 4 bathrooms, and over 3000 sq ft of space. The heart of the home is its beautiful kitchen, boasting quartz countertops, a double fridge, natural gas cooktop, and built-in oven and microwave, perfect for family meals and entertaining. Situated for convenience near the airport and amenities, this cozy retreat also offers central air conditioning, a water softener and chlorine filter for your comfort, and a humidifier for a healthy living environment. Style meets functionality with a butler pantry and custom roll-up blinds. Outside, enjoy a double deck with a privacy wall in a fully fenced and landscaped yard, plus a double car garage for easy parking. The spacious layout includes a bonus room, providing ample space for family activities. The basement adds an extra bedroom, bathroom, and versatile recreational space, making this home an exceptional choice for your family.
