

7333 Klapstein Crescent Edmonton AB

\$619,000

QUICK POSSESSION AVAILABLE!! This stunning 2,145 sq ft home is perfect for those who love to entertain. You are the host and that's all about fun - whether it's gathering around the patio, shooting a round of pool, karaoke nights with the girls, or hosting a watch party. The open concept main level space means room for everyone to visit together. Upstairs you'll find a spacious recreation room ideal for family fun, laundry room, and 2 bedrooms for kids or guests. The primary is large enough for a king size bed with luxurious ensuite and walk in closet. This home features modern finishes and a stylish glass wall. Our Fall Welcome Home Event offers a fantastic opportunity for a complimentary advanced air filtration system and high performance heating/cooling solution.
