

745 PAYIPWAT CM Edmonton AB

\$549,900

This lovely semi-detached (duplex) house with a double garage attached has three bedrooms, a bonus room on the second floor, and a den on the main floor. It also comes with a one-bedroom legal basement suite (mortgage helper). The Samsung appliance package is included for both the main house and the basement. The property is in the Paisley community in the SW part of the city, and schools and all social amenities are close by.
