

7632 180 Street Edmonton AB

\$355,000

Lymburn, tucked in between commuter routes such as the Henday, Whitemud & 178 Street offers the perfect balance of residential living with effortless access to the rest of the city. This desirable west end community has mature, tree-lined streets & an incredible sense of community. Surrounded by amenities - local boutiques, restaurants, West Edmonton Mall, schools, playgrounds & parks. You will immediately notice the pride of ownership of this adorable home. The interior improvements are clearly done with intention & purposeful in their design. Some features you will love; cozy living room, separate dining, large open kitchen with S/S appliances, huge basement windows, laminate flooring, beautifully designed primary & renovated bathroom. This could be your own little piece of heaven. Entertain, garden or relax in your private, fenced & enormous backyard - with a multi-tiered deck. Ride your bike, take a walk in the park, or sip coffee in a local coffee shop. Whatever you love to do you can do it here.
