

7805 114 Street Edmonton AB

\$640,000

Visit the Listing Brokerage (and/or listing REALTOR(R)) website to obtain additional information. Everything is upgraded to meet Alberta health minimum housing standards. Brand new windows throughout. It is right across the street from the McKernan Belgravia LRT train station. This is not a typical property within Edmonton. It's also zoned for high density because it's in the transit oriented development zone. There are huge developments already underway in the near vicinity. Great location!!
