

79 2503 24 Street Edmonton AB

\$294,900

This charming townhome in the Silver Berry community of southeast Edmonton offers a delightful living experience. The exterior boasts a single attached garage with convenient access to the basement, a new deck for outdoor enjoyment, and recent upgrades such as newer shingles and carpet on second floor. The main floor features a practical layout with a 2-piece bathroom, laundry facilities, a cozy living room, and a well-appointed kitchen and dining area. Upstairs, two master bedrooms with walk-in closets and 3-piece ensembles each provide comfort and privacy. The basement extends the living space with an additional living room, a third 3-piece bathroom, and an extra bedroom. With its thoughtful design and modern amenities, this townhome presents an ideal blend of functionality and style for a comfortable family lifestyle.
