

7923 KORULUK Way Edmonton AB

\$389,900

No Condo Fees! This spacious 3-level 2 bedroom townhome, measuring 1407 sqft (builder measurement), is ideally situated near green space and designed for modern living. The ground level features an attached garage leading to a den. On the second level, you'll find an open-concept living and dining area, complemented by a modern kitchen with stone countertops, an eye-catching full tile backsplash, 36" kitchen cabinets, a large walk-in pantry, and a waterline to the fridge. The third level hosts the master bedroom with an ensuite, along with one additional bedroom and another den. Deck, \$3,000 appliance allowance, a high-efficiency furnace, and triple-pane windows. Front landscaping included no backyard. Don't miss out on this incredible opportunity to live in Keswick! HOA details TBD. Currently under construction with a tentative completion date in November; photos are from a previous build and do not represent current interior colors.
