

8011 182 Street Edmonton AB

\$419,900

Great opportunity. Welcome home to this equally impressive bungalow in the family friendly neighborhood of Aldergrove. This bright home features 5 Bedroom and 3 bathrooms. On the main floor you will find the large living area, dining area, kitchen, Primary bedroom with ensuite, two other guest bedrooms and a double sink 5-piece bathroom, a pantry room. Kitchen fully upgraded includes quartz countertops and back splash. Fully finished basement brings you a large family area, 2 bedrooms with a 4-piece large size bathroom, wet bar, second kitchen, and laundry room. New paint for entire house and plenty house upgrades. Massive backyard is fully fenced and landscaped. Relax and enjoy sunshine at the large front deck. A spacious double garage is handyman's favourite. Close to shopping, West Edmonton Mall, schools, public transport, walking trails, parks, and the new LRT development. Easy to access Whitemud, Anthony Henday and all the great amenities. Truly a great opportunity for a growing family or investor.
