

10388 105 Street 803 Edmonton AB

\$288,000

This luxury downtown 2-bedroom condo is situated across from MacEwan University and steps from Rogers Arena and the Ice District. With high end upgrades like engineered hardwood flooring, granite countertops, central A/C and in-suite laundry, you'll be living your best life in the heart of downtown Edmonton. The building is very secure with fob access between floors, heated underground parking for visitors and your own titled stall. Condo fees include professional management, heat, water and snow removal etc.
