

9103 183 Avenue Edmonton AB

\$599,900

The Kennedy K by Bedrock Homes boasts 9 ft. ceilings on the main floor, creating a spacious and open atmosphere. The main floor flex room is perfect for a home office, studio, or guest room. The kitchen features navy cabinets throughout, finished to the ceiling with contrasting black pulls and soft close action and is equipped with Samsung appliances. The corner pantry and flush island with eating bar add extra storage and workspace. The great room features a linear electric fireplace and spindle metal railing on the staircase leading to the upper level. The upgraded Ensuite boasts dual vanities, a stand-alone tub, and a separate shower. LVP flooring flows throughout the main floor and wet areas, providing a modern and durable finish.

This home is equipped with Brilliant Home Technology, including a built-in control panel, video doorbell, smart Ecobee thermostat, programmable LED pot lights, keyless entry, built-in Alexa capability, and access to the Brilliant Home app.
