

9383 222 Street Edmonton AB \$443,900

Experience innovation at its finest with Landmark Homes! Our state-of-the-art, climate-controlled Acqbuilt home construction ensures precision and quality in every detail. Using cutting-edge robotics, we build your home with millimetre precision, resulting in an airtight, energy-efficient oasis. Say goodbye to drafts and uneven temperatures with our Hi-Velocity Heating System, providing superior comfort and breathe easy with our 3-stage indoor air purification system. Live efficiently with our on-demand hot water system, triple pane windows, and ENERGY STAR(R) appliances. Upgrade to a Landmark Home and elevate your living. 42" cabinets with risers, and future basement bathroom rough-in included. This new construction Ruud model offers a SIDE ENTRY.
