

9512 154 Street Edmonton AB

\$1,225,000

The perfect opportunity exists in the community of West Jasper Place for one to balance work & everyday life, with a long term goal in mind! Welcome to 9512 154 St, a unique double suited facility containing a 2 bed suite, with an additional 6 beds for the main residence. Situated on a quiet street, the future is bright with a vision. Live in the caretaker suite, while you run a care facility in house with all the amenities for a successful operation. Main floor contains 4 beds w/ wheelchair accessibility, while the full bath has safety & access in mind. Finished basement has 2 beds, w/ full bath for additional programming space to care for attendants. Upper level contains a fully legal 2 bed, 2 bath suite with kitchen, rooftop patio, and 1140 square feet of living space for comfortable living quarters. Fully built out w/ key safety & life systems, 9512 has a fully integrated sprinkler & alarm system top to bottom. Current operator tenant in place, many options exist to use the over 4500 sq. ft. of space!
