

9706 148 Street Edmonton AB

\$1,079,000

Nestled on a beautiful street in Crestwood - a natural setting & attention to detail provide the perfect fusion between structural strength & architectural form in this fully renovated bungalow. Encompassing just over 3464sqft of finished living space (1846sqft Main - 1618sqft Basement) - 5 beds, 3.5 baths, fabulous kitchen, dining room, hotel styled primary, basement flex space (indoor sport court) - all located on a landscaped 6891sqft lot with double detached garage. This home captures contemporary elegance with its clean lines & organized living. The main floor has bountiful natural light streaming in from the numerous windows. The kitchen is well appointed for family dinners & open to the formal dining & living room with gas-fireplace - stunning architectural features throughout the home. The primary suite provides the space & privacy to relax with vaulted ceilings & spa like ensuite. Downstairs is a cozy lounge vibe with bar, 2 beds, bath, flex space (sport court) - Fit & Finish like no other home!
