

9732 110 Street Westlock AB

\$84,900

771 sq ft 1+2 bedroom house with double detached garage sitting on 50'x130' lot in need of some TLC. Yard is fenced and consists of the detached 26'x26' heated (radiant infrared heater) and insulated garage. Garage was built in 2004, has 2 single door garage doors and plenty of room for vehicles, tools and toys. House was under construction and requires lots of work to be completed. Front attached porch is not complete and open to the elements. House is not presently livable and would require lots of work to bring it back to livable condition.
