

9747 146 Street Edmonton AB

\$1,379,000

Stunning Executive 2Story in coveted Crestwood! Situated on a stunning tree lined street, this home checks all the boxes. Built in 2006 by Award winning Ackard, every detail you could want in a home, immaculately kept, shows like NEW! The stunning landscaping (extensive sprinkler system) greets you and is the first of MANY showstopping features you will love. The main floor features an open concept Chef's kitchen with double ovens, double dishwashers and much more, large dining room, gorgeous family room with custom Limestone fireplace, gleaming hardwood and all the natural light. Main floor Laundry, with large mudroom, the 2nd floor boasts a massive Primary suite, with 5 piece Ensuite, his/hers closets, 2 large additional bedrooms and large den, vaulted ceilings and a 4 pc bath. Fully finished basement adds an additional bedroom/ensuite, large recroom, tons of storage and a cold room. Come outside to an entertainers paradise, huge partially covered deck, custom built Pizza Oven, WOW, and oversized garage. 10/10!
