

TWP RD 624 Range Rd 112 Rural St. Paul County AB

\$749,000

Prime add on quarter section of grain land in St. Paul County. This high yielding parcel with 155/159 cultivated acres has been used last three seasons to grow canola , wheat, barley... historically plenty of moisture in this corner of the province. Potential for a yard site subdivision with power on property. Come investment in the future with good arable farmland.
