

106 Heward STREET Griffin Saskatchewan

\$199,500

Here is a newly renovated home, sitting on a new foundation in the quiet town of Griffin, just minutes away from Weyburn. This home was put on a new foundation in 2017, and everything from top to bottom has been renovated. The Kitchen has custom cabinets with large island, soft close cupboards and drawers, and very nice laminate flooring that flows throughout the house. Off of the kitchen, you will find a separate dining area, and access to the large living room. At the other end of the home you will find three good sized bedrooms and a full bath. The basement awaits your personal touch to customize to your family's needs. This home sits on a big lot and has tons of room for that massive garage you've always wanted. Have smaller children? This home is located right beside a park. This is virtually a new home at a fraction of the cost. Call today for your personal viewing.
