

## Whitehorse Yukon

\$574,000

2 storey 5 bedroom home built in 2008 by CanCor for a single owner who was frequently on the road. Home sits up high above other homes behind it & has good clear views to the southwest. Front lawn, underground sprinkler system, double width concrete driveway, covered front porch, attached double garage, fully fenced. Main floor has walkout to the back yard & there's 17' clearance on the garage side from house to lot line....rear yard access, RV storage area. Large main bathroom upstairs has full size soaker tub and a separate shower stall. This bathroom is accessed from both the master bedroom and the hallway. The crawl space is high and good for storage, and it houses the horizontal forced air furnace. It's available for immediate occupancy. All dimensions and square footage are approximate. (id:6769)
