

## 0 142 Township Rural Vulcan County Alberta

\$1,650,000

320 acres of revenue producing farmland available in Vulcan County. Just 12 mins east of Carmangay or highway 23. A full 1/2 section, with 290 acres of crop land and 30 acres of pasture. This 1/2 section has 2 windmills located on it that generate a substantial source of revenue each year, with the crop land also rented out with 3 years remaining on current lease. There are currently no buildings on either quarter so you can pick your perfect building spot right in time for spring. The perimeter is fenced and it is zoned rural general with the Vulcan County.
