From the minute you pull up to this Stunning Custom Build, to the complete viewing, and then to the amazing landscaped yard you will want to call this Home! This impressive Fully Developed build by the seller has a warm traditional feeling throughout with quality care and decor! Walk up the upgraded aggregate driveway, and walk way to the west facing Verandah. Enter the front door to a beautiful open concept living room, dining room, and breath taking kitchen! A walk through pantry leads to a mud room with built ins and door to garage! My favourite room in the house is the beautiful unique 2 pcs. bathroom!(just have to see for yourself) The upper level has a bonus room perfect for Family TV night, close and comfortable! Laundry, full bath between the children bedrooms and a master bedroom with a awesome 5 pcs ensuite! The professionally finished basement has a large family room another large bedroom and full bath! No wasted space in this home the utility room has room for the Gym! Read on... A extra Bonus you don't find in every home, sound system throughout the living, kitchen, and family room! The large back yard is landscaped to perfection with trees, concrete curbing around the beautiful shrubbery, a pergilah that has hooks for the hammock to lay back and enjoy or gather around the fire pit with the family in this amazing yard. The garage fits the Truck plus a car with more room on the driveway! Note the beautiful white wall unit built to fit in family room by a personal friend, is a possibility to stay if the "PRICE IS RIGHT" Check the last to photos for a peek at what the yard looks like under the snow!
