

101 111 Street Calgary Alberta

$350,000

Rare opportunity to own a one-of-a-kind craft beer and liquor store near Downtown Calgary! A standout feature is the ON-SITE BEER BREWING SETUP, allowing the business to produce and sell fresh GROWLER BEER, creating an additional revenue stream and a unique experience for customers. The business also offers an impressive selection of craft beers and specialty products, helping set it apart from a traditional liquor store. Ideally positioned on a high-traffic street with excellent visibility and convenient access to nearby public amenities, community centres, and an LRT station. This is an excellent opportunity for an owner-operator and entrepreneur looking to take an established concept to the next level. (id:6769)
