

105 Taralea Green Calgary Alberta

\$759,000

A magnificent two-storey front double garage home is for sale and backs up to a green space. The current owners have kept the house in pristine condition since they purchased it. The main floor has a living room that is distinct from the open kitchen and family area. The kitchen was recently upgraded with quartz countertops, stainless steel appliances, white cabinets, and vinyl plank flooring. The second level includes four bedrooms, the master having an en-suite, and another full bathroom. The flooring upstairs is with carpet. All hail damage repairs were recently completed.
