

10929 Hidden Valley Drive Calgary Alberta

\$475,000

Opportunities like this are rare in mature NW communities--secure your lot and bring your custom home vision to life. Build your dream home in the desirable Hidden Valley community on this 4,800 sq ft residential lot. Zoned R-CG, it offers excellent flexibility--you can build a modern home with a basement suite, whether you're adding to your investment portfolio or creating a sweet home for you and your family. Enjoy a location close to everyday amenities and just steps from a school and playground. Hidden Valley is loved for its quiet, family-friendly streets, parks and pathways, nearby schools, and quick access to major routes, making commuting and daily errands simple. (id:6769)
