

1110 Wheatland Trail Strathmore Alberta

\$1,500,900

Here is a great opportunity to have a large commercial operation within the Strathmore area. This would be ideal for potential storage facility or other commercial operation. The Town of Strathmore currently has the property "un-zoned" but designed for "commercial". Buyer would have to apply for re-zoning as part of the purchase process. (id:6769)
