$515,000

Welcome to this beautifully renovated bi-level on a corner lot in the heart of Macewan - a mature, family-friendly NW community bordering Nose Hill Park. This home has been extensively renovated with quality finishes throughout, making it a true turnkey opportunity for a first-time buyer or growing family. Step inside to a bright, open main floor featuring a brand new kitchen with quartz countertops, new cabinetry, a fresh backsplash, and a full stainless steel appliance package. Luxury vinyl plank flooring runs throughout both levels, offering a clean, modern, low-maintenance look. The main floor offers a living room, kitchen, dining, 2 bedrooms and a fully renovated 4-piece bathroom with a new vanity, new tub shower, and all-new plumbing fixtures. Thanks to the bi-level design, the fully finished basement features your second living room that comes with a cozy electric fireplace for those cold Calgary evenings to lounge, and large above-grade windows that flood the space with natural light which is a rare bonus for a lower level. Also in the basement, you'll find 2 additional bedrooms, both with legal egress windows and a second fully renovated 4-piece bathroom. This home has been meticulously updated from top to bottom: all PolyB plumbing has been fully replaced with PEX throughout, giving buyers peace of mind. The detached double garage provides secure parking and features a brand-new roof. The fully fenced backyard features a renewed deck and private outdoor space for kids, pets, or entertaining with no immediate neighbours to one side, with a rock ledge garden on the side of the property. Living in Macewan means direct access to Nose Hill Park's extensive walking, biking, and off-leash trails, along with local green spaces including Macewan Glen Park.
