

12 Manning Close Calgary Alberta

\$3

This exceptional 6,331 SQFT office sublease offers a rare opportunity to secure a beautifully built-out workspace with impressive views of the Calgary skyline at a highly competitive rate! The space features a modern, professional layout with an inviting reception area, open collaborative workspace, and thoughtfully designed offices that create a welcoming and productive environment. This space also includes access to numerous amounts of facilities including a gym. Large windows bring in abundant natural light while capturing panoramic downtown views, giving the space a bright and inspiring atmosphere throughout the day. With its contemporary finishes, functional design, and move-in ready layout, this office presents an outstanding opportunity for businesses seeking a polished, professional setting without the premium pricing typically associated with comparable spaces. Opportunities combining quality improvements, skyline views, and exceptional value are rarely available! (id:6769)
