

123 Macleod Trail Calgary Alberta

$225,000

Located in the Heritage Hill Professional Centre, this dental office presents an excellent opportunity for an owner-operator dentist or an associate transitioning into ownership or a Hygienist. The clinic currently operates with two fully equipped dental chairs and is plumbed for third operatories, offering immediate functionality with room for future expansion. The property features a practical layout that can be customized to suit your practice needs, is surrounded by complementary medical and professional tenants, enjoys a strong community presence, and offers ample on-site parking for both patients and staff, making it an ideal location to establish or grow a successful dental practice.
