END UNIT | 2 BEDROOMS | 2 PRIVATE ENSUITES | 2 BALCONIES | SINGLE ATTACHED GARAGE | Natural light, generous private spaces and a practical layout give this upgraded West Springs townhome its appeal. The main living level brings daily activities together, while the upstairs bedrooms each offer the comfort of a personal retreat. The arrangement provides shared spaces for meals and conversation, with room to unwind independently at the end of the day. Luxury vinyl plank flooring provides a cohesive finish on the bright main level. A comfortable living room offers space to relax, and a dedicated dining area gives meals a place of their own. The kitchen combines stainless steel appliances and a contemporary backsplash with plenty of cabinet storage for cookware, dishes and everyday essentials. Direct balcony access makes it easy to step outside with a morning coffee or enjoy fresh air while dinner is being prepared. The practical details are here, too. A two-piece bathroom serves the main level, keeping the upstairs bathrooms separate from the shared living areas. In-suite laundry adds everyday convenience, while a mudroom provides a useful place to manage shoes and outerwear. Together, these features support daily routines without relying on the private spaces upstairs. The spacious bedrooms continue the emphasis on comfort and privacy. Each has its own adjoining bathroom, making the layout flexible without asking either bedroom to rely on a shared bath. One includes a walk-in closet for clothing and organized storage; the other opens to a private balcony, offering an outdoor place to begin or end the day.
