

1734 keystone Creek Calgary Alberta

\$629,900

1734 Keystone Creek welcomes you with beautifully appointed finishes, 4 bedrooms, 3 bathrooms, and nearly 2,000 sq. ft. of above-grade living space, plus an unfinished basement with a legal suite rough-in (suite subject to city approval). The main floor features a bright, open living and dining area that flows seamlessly into a well-designed kitchen complete with stainless steel appliances, quartz countertops, a large island, and a walk-in pantry. A main-floor bedroom provides excellent flexibility for guests, a home office, or multi-generational living, and is conveniently located near a 3-piece bathroom. Upstairs, you'll find a generous primary bedroom retreat featuring a walk-in closet and a private 4-piece ensuite. Two additional bedrooms offer comfortable space for family or guests, while the central family room serves as a perfect hangout spot for movie nights or a kids' play area. The upper level also includes another full 4-piece bathroom and a dedicated laundry area for added convenience. The unfinished basement with impressive 9-foot ceilings offers additional living space for your family or a legal basement suite, subject to city approval. *Photos are representative of the same model home that has been completed. Colours and finishes will vary. RMS has been applied to the builder's blueprints, and taxes are to be assessed. (id:6769)
