\$1,199,900

This is an incredible opportunity to own a brand-new, NYC-inspired brownstone, wrapped in striking red brick, with over 3,153 total square feet of thoughtfully designed living space, built by Jerry Homes. As you enter, you're welcomed by a spacious foyer featuring a built-in bench and soaring 10-foot ceilings and hardwood floors throughout the main level. The adjacent main floor home office boasts custom built-ins and is filled with natural light from large arched windows. The stunning kitchen is equipped with a 12-foot waterfall island, Fisher & Paykel premium appliances, and elegant finishes like gold and black handles, white cabinetry, under-cabinet lighting, and quartz countertops. The great room is anchored by a custom multi-tiered gas fireplace, while the living room showcases detailed wainscoting. The mudroom impresses with its designer tile flooring, ample built-ins, and charming arched doorway. Upstairs, you'll find hardwood floors, 9-foot ceilings and an expansive primary suite with tray ceilings, a luxurious 5-piece ensuite featuring custom tiles, a skylight, double vanity, in-floor heating, a steam shower rough-in, and two spacious walk-in closets. A generously sized front bedroom with soaring ceilings, a 3-piece bathroom, another bedroom, and a large laundry room complete the upper level. The fully finished basement includes rough-in for in-floor heating, a vast recreation room, wet bar, 4th bedroom, 3-piece bath, and a dedicated storage room. The home has beautiful architectural details like curved ceilings, arched doors and windows, and black interior windows. Additional highlights include low-maintenance landscaping, rough-ins for A/C, built-in speakers, alarm systems, and exterior cameras. Conveniently located near schools, parks, trendy restaurants, bars, the river, and the Calgary Zoo, this home offers peaceful living just minutes from Inglewood'...
