

2015 4 Street Calgary Alberta

$99,000

KOREA'S FLAVOUR. CALGARY'S FAVOURITE. A thriving Korean food business on 4th Street SW in Mission, one of Calgary's busiest and most walkable districts, home to two beloved concepts under one roof: authentic street food (kimbap, tteokbokki, cupbap, and noodle bowls) and Chicko Chicken Alberta's famous double-fried chicken with signature Spicy Yangnyeom and Cheese Snow sauces. Fresh ingredients. Bold, true-to-Seoul flavour. A menu built for how people eat today, quick bites, casual meals, and first-time discoveries of Korean cuisine. Loyal customers. Steady foot traffic. A fully equipped commercial kitchen, complete with prep table, walk-in cooler, and walk-in freezer, ready to go from day one. This is a rare turn-key opportunity to own a proven, well-reviewed business in one of Calgary's busiest districts, with the customer base and location already working in your favour. (id:6769)
