Welcome home! Tucked into the heart of Silver Springs, one of Calgary's most established and loved northwest communities, this bungalow has been lovingly kept in the family over the years, and you can feel that care the moment you walk in. Silver Springs is known for its mature trees, wide streets, and strong sense of community. Step outside and you're moments from the walking and biking pathways that weave through the neighbourhood and link into the Bow River pathway system. Families appreciate proximity to nearby Catholic and public options, making morning routines simple. Two additional bedrooms and a full bath complete the main level, offering comfort and functionality. Downstairs, the renovated and fully developed basement expands your living space in all the right ways. There is an additional bedroom, a full bath with elevated finishes, a large family room perfect for movie nights or hosting, and a wet bar that makes entertaining easy. The fourth bedroom is currently set up as a home gym but can flex to suit your needs. The laundry room offers impressive storage, keeping everything organized and out of sight.
