This brand-new "Rayn" is designed for real life—bright, modern, and thoughtfully laid out so it feels easy from the moment you walk in. Rich vinyl plank flooring, clean lines, and a fresh, timeless palette set the tone, while abundant windows keep the main level airy and sun-filled throughout the day. Thoughtful sightlines create an open feel without sacrificing defined, usable rooms. The rear living room is anchored by an oversized window, creating a comfortable space for movie nights and relaxing evenings. A smart rear entry keeps everyday life organized and provides access to your raised deck to enjoy the west facing views on those long summer nights. The convenient 2-piece bath is perfectly placed for guests and busy mornings. Two standout flex spaces elevate the layout: a versatile main-floor flex room just off the kitchen (home office, playroom, or gym) and a raised homework/tech nook overlooking the main floor—practical, clean, and great for keeping laptops, homework, and daily clutter off the kitchen island. Upstairs, a cozy bonus room offers a second lounge for kids, reading, or a media space.
