Welcome to The Solara by Shane Homes, located on a walkout lot backing onto green space in the growing community of Cobblestone Creek. This pre-construction opportunity allows buyers to fully customize the home and select finishes with Shane Homes' professional design team. The Solara features a well-designed main floor with a lifestyle room, full bathroom, open-concept kitchen with central island and walk-in pantry, dining nook, and living room with an electric fireplace. Upstairs, a bright upper family room and vaulted stairwell create an open, airy feel. The primary bedroom includes a 5-piece ensuite and walk-in closet. Two additional bedrooms, each with walk-in closets, share a full bathroom, along with a dedicated upper-level laundry room. The walkout basement is unfinished, with the option to have it developed by the builder at an additional cost. Photos are illustrative and represent a finished home.
