

235 9A Street Calgary Alberta

\$375,000

This one-bedroom plus den condo is built for those who want space, style, and convenience in one of Calgary's most vibrant neighbourhoods. The standout feature? A massive 300-square-foot terrace—perfect for grilling, entertaining, or just unwinding with a drink in hand. Inside, the wide, open-concept living area (almost 14 feet wide!) gives this home the feel of a bungalow in the sky. 9-foot ceilings and polished concrete floors add an industrial-chic edge, while floor-to-ceiling windows flood the space with natural light. The kitchen is built for function and style, featuring wood-grain cabinets, a built-in oven, electric cooktop, and quartz countertops. Whether you're cooking for one or hosting a dinner party, the large dining area and breakfast bar offer plenty of seating. The primary bedroom features custom closet solutions, while the main bath is both sleek and practical with a deep soaker tub, linen storage, and the convenience of an in-suite washer/dryer. The den is a versatile flex space, big enough for both a desk and a twin bed for guests. Living in Kensington means everything is at your doorstep—Orange Theory Fitness, great coffee shops, restaurants, a grocery store, and the C-Train, all just steps away. Plus, Pixel offers a rooftop patio with stunning city views, plenty of underground visitor parking, and this home includes a secure underground stall and storage unit. If you're looking for a bold, modern space with an unbeatable location, this is it. (id:6769)
