OPEN HOUSE March 14 | 2-4 PM March 15 | 11-1 PM Let me count the number of adjectives I can use to describe how amazing your new home is...Stunning, beautiful, elegant, inviting, charming, timeless (since 1914), sophisticated (with a fantastic new paint job), refined (newer roof and updated electrical and plumbing), stylish (just take a look at the photos), thoughtfully designed (double thick walls, double historical windows and new windows on the side of the house; make this place easy on the heating bill!), well-maintained (great modern appliances), immaculate, move-in ready, and full of pride of ownership. Come and see it for yourself-- properties like this don't come on the market very often, and when they do... they don't last long! P.S. That's 14 adjectives, and I could still keep going! (id:6769)
