Potential potential! Upstairs features original hardwood flooring under the living room carpet and a cozy wood burning fireplace. The kitchen and dining room offer plenty of space for a family or entertaining guests. 3 bedrooms and a full bathroom complete the main floor. There is a separate entrance to the basement with features a 2nd suite (illegal), a shared laundry room, 2 more bedrooms, a full kitchen and large living room, storage/boot room and a large 3 piece bathroom. The backyard is east facing with good south exposure, giving lots of sunlight, features a few storage sheds and a small double garage with a single door.
