

# 2816 11 Street Calgary Alberta

$3,900

Nicely developed office space with great views! This is 1200+ square feet of functional space. There are three offices with views to the North and East, a boardroom/meeting space, with room for reception and room for several work stations. A lunchroom is conveniently located in the space. This office is located in The Westview, a small boutique building a block to 32 Avenue and Deerfoot Trail with easy access to the Airport and Downtown. This building has an elevator, updated washrooms on every floor and good parking. (id:6769)
