$474,900

STOP PAYING SOMEONE ELSE'S MORTGAGE. This 3-bedroom two-storey is exactly what the first-time buyer needs right now -- a detached home with a real yard, real space, and a price that makes sense. The main floor gives you a comfortable living area, a kitchen with, stainless appliances, a centre island, plus ample dining space that walks out to the deck for those glorious summer evenings where you can dine al fresco. The backyard is fenced, there's a shed for storage, and back lane parking means no street scramble every morning. Upstairs -- three bedrooms, a primary with 3-piece ensuite, and a 4-piece main bath. Main floor laundry because adulting should be easier. The basement? Unfinished and ready for your creative touch -- your choice on how to use that space. This is the one where you stop renting and start building equity. Simple as that. (id:6769)
